The Saturdays take LA!

Brit honeys heat up Hollywood!

Well, they told their boyfriends/mums/agents they were off to LA to shoot a new video, but Frankie Sandford, Una Healy and Mollie King seem to be busy doing nothing all over their swish hotel pool.

Not that we're complaining, as seeing the ladies in (or half out of, in Mollie's "oopsie" case) bikinis is a far better use of *Nuts'* valuable page space than some boring video shoot. And we don't have to listen to them, either. Wins all round, then!

GAMES EXCLUSIVE 1

L.A. Noire: first play!

Rockstar's detective opus changes the game

If you think L.A. Noire is GTA with nicer hats, you're dead wrong. Yes, it's based on GTA's graphics "engine" tech, yes it features car chases, punch-ups and shoot-outs and, yes, there's a huge city to explore. But this detective-em-up is all about investigation and interrogation, with action

thrown in to sweeten the pill. We've sat in Rockstar's darkened games room and played two whole missions of lead chap Cole Phelps as he rises through the ranks of '40s LAPD, investigating murder, rape and arson. And consider us utterly hooked. We'll be first to stuff it in our Xbox 360 and/or PS3 come 20 May.

DEADLY SHOOT-OUTS!

SERIAL KILLER ON THE LOOSE!

As Phelps works individual desks, it slowly dawns on him that a number of cases he's "solved" are probably the work of one deranged serial killer. And he has, therefore, imprisoned innocent men.

INVESTIGATION!

You'll spend time sifting crime scenes for clues or scan grisly murder victims' bodies. Hit "X" to further investigate objects, to add info to your notebook and send you after suspects.

CASE DESKS!

You'll serve on five LAPD desks, from patrol beat cop to traffic, homicide, vice and arson. Each desk will have a number of cases, running up to an hour-and-a-half, and each with a different partner.

GAME-CHANGING TECH!

The "MotionScan" facial animation in *L.A. Noire* is amazing. Never before in a game could you reason if a character's truthful or lying purely by their reactions and body language.

MOTION SCAN ANIMATION!

INTERROGATION!

How suspects react to questioning helps you decide whether or not they're lying. If you think they are, you can either bamboozle them with evidence you've found, or "bamboozle" them into submission.

World's fastest pick-up!

Men of construction!
This BMW M3 is your
dream company car...

- No, this isn't an act of Photoshop vandalism. This is a genuine, BMW-built M3 pick-up. With a chequer-plate flatbed and towbar, it's an ideal workhorse. There'd be no excuse for being late to the site with 414bhp under the bonnet!
- It's a one-off that, sadly, isn't currently slated for production.

FAST AS A COUPÉ!

186MPH TOP SPEED!

But this naughty after-hours project of Bavarian M-Technik engineers is nonetheless a fully road-legal motor.

- They started with an M3 convertible, because the extra bracing and chassis stiffening helped make sure the thing didn't drive like a bowl of Angel Delight once the top was lopped off.

- Not only is it 50kg lighter than an M3 convertible, but in the wind tunnel, it's said to be as aerodynamic as an M3 Coupé.
- BMW are keeping quiet about official speed figures, but the truck has been clocked doing 186mph. And we reckon it'll slap the 62mph mark from standstill in around five seconds.

- The six-speed manual gearbox sends 414bhp to the back end. Considering that (unloaded) there's hardly any weight at the rear, that means that things could get just a bit skiddy!
- The carbon-fibre sill trims are engraved with "Pick-up powered by M: 001". Maybe the Germans have a sense of humour after all!

TOUGH AS A PICK-UP!

Nuts EXCLUSIVE!

'This'll be better than Haye vs Harrison!'

Amir Khan on title fights, Ricky Hatton and tear ups!

Hi Amir! So, you're defending your WBA light-welterweight title against European champion Paul McCloskey in Manchester on Saturday. Will it be hard fighting in the UK after your successes in America? Not really. I've got a great relationship with the UK fans. I'm making less money by fighting here than in America but I don't want to be greedy. I want to keep the fans happy who've been with me from the start. **McCloskey isn't a household name. What do you expect from him?** You can't take any unbeaten fighter easily. He's a southpaw, too, so that'll be a test for me. **How do you feel after that bruising bout with Marcos Maidana?** A lot of people say the last fight against Marcos

Maidana took a lot out of me but I don't think so. I think that fight has given me more confidence, if anything. I know I can take big shots from a guy who's one of the best in the division.

Your initial purse offer was rejected by McCloskey. Was it hard making this fight? The negotiations were a little bit frustrating. I said to my team to just get the fight on. I would have fought Timothy Bradley now, but he wants to fight in the summer so we'll do that instead. **We hear you've changed your conditioning coach for this fight. Could that upset things?** I don't think it's an upset. Change is good. Last year, I changed trainers and stuff. Freddie Roach used to tell me he could condition me if I wanted but I thought it would be a good idea to keep it separate and let Freddie coach me on the boxing.

"Irish fighters are very tough. They want to have a tear up!"

Ricky Hatton is helping promote the fight... I'm a big fan of Ricky and it's great to be working with him and his team, especially in Manchester. Ricky has been there as a fighter so he knows what a fighter wants – and how to avoid mistakes that a promoter who hasn't been in the ring might make.

You said you "over-trained" for the last fight. How did that happen? I was training for a week in LA, then flew out to the Philippines. The training camp was 13 weeks, and I got bored and tired. I think I got too fit, too early. I was dropping sparring partners, which is very hard to do. I felt as sharp as I should have been when I was fighting. In the changing room before the fight, I felt very heavy and the sharpness just wasn't there.

There'll be a lot of Irish fans behind McCloskey in the arena. Does that matter? You can tell he's hungry and these Irish fighters are very tough – they want to get in there and have a tear-up. I don't really want another fight like the last one because it's not good for you to have too many of those, but this could be one of those fights.

What's next if you win? What's driving me and keeping me going is looking at the bigger picture. I want to win this fight in a good style, then take on Timothy Bradley, and maybe then move up a weight.

Thanks, Amir, Finally, the last fight in Manchester was Haye vs Harrison. This'll be better than that, won't it? This'll be 20 million times more exciting than that fight!

Nuts tests anti-dive shin pads!

It's the solution to football cheats!

Here at Nuts, we're all about fair play, especially when it comes to the beautiful game. So when we heard some boffin-types had come up with a way of detecting if a player was diving using shin pads, we raced down to the test lab to learn more.

Each of these special leg guards is fitted with two sensors. One sensor detects if another

player is close, and the other registers impact. When both sensors go off, an alarm sounds and the ref (hopefully) will give a foul. Oh, and before you all start kicking yourself to win a free kick, the proximity sensors will know you're telling porkies and stop the alarm.

Divers, you've been handed your P45s! See more at facebook.com/properfooty

The Man In Black

Ex-Premier League ref Jeff Winter's verdict...

Hi Jeff! Will the Premiership be full of bleeping shin pads in a few years time? I'm not too sure. If we can't have goal line technology, I don't think we've much chance of these shin pads being in the game.

Can technology work in football? On Hackney Marshes on a Sunday morning, you might hear the bleeps but at Old Trafford in front of 80,000? I'm not too sure. I think it needs work.

A QUICK WORD WITH...

Wretch 32

Hip-hop's finest on tiny rappers, Tintin and performing in space!

Hi Wretch 32! Explain your name. Are there 31 other Wretches? Ha! I'm Wretch 32, the first. There aren't 31 Wretches. I'm hoping I'm the only Wretch, anyway. The name is actually Jamaican slang for a naughty kid. When I was younger, my family called me Wretch. As I got older, it just stuck. **You must have done some pretty horrific things to get a name like Wretch.** One time, I set the bin on fire in my house! I don't know what the obsession was with starting a fire in my mum's bin but she put a stop to that, the hard way! **Why are there so many small rappers in UK hip-hop? We've got a Tinchy and a Tinie – why are you all so small?** I'm 6ft 1! It might just be a genetic thing.

"A gig in space would be pretty fly!"

It might be that people that are short, tend to be big in life. **So the smaller you are, the bigger you're going to be?** Maybe.

If Richard Branson offered you the chance to do a gig in space, would you take it? Yeah, man. That'd be pretty fly. As long as they can guarantee there was no risk. I don't wanna be performing and have to worry about running out of breath. You never wanna run out of oxygen. Oxygen's needed sometimes.

It's needed all the time, isn't it? Yeah. I presume so.

If you could play anywhere, where would you play? If they

could make me a suit that could withstand the heat, I wouldn't mind playing on the sun. But I probably think we're about 1.2 million years away from that, so I guess I'll just have to settle for Earth. For now.

Any famous ladies tried to get a bit of Wretch 32? No! I've been waiting. When I answer every call, I'm hoping it's going to be Alesha Dixon or Rochelle from The Saturdays. But that hasn't happened yet.

Have you had ever had a rap beef? I'm not really a rap beef sort of person.

Are you the nice guy of UK hip-hop? I'd rather battle with CDs – you make an album, I make an album and we see who's better. The whole dissin' thing – it's a bit like wrestling. It all gets a bit dramatic.

If you could do a rap duet with a children's TV character, who would you pick? Tintin. He's groovy, man! He's cool! I don't think he could rap though. But I think he'd look the coolest in the video. With a haircut like that, you're never going to lose.

If you get to number one, which we reckon you will, how drunk would you get. Would you: Steal a traffic cone? Yeah, I'd do that. That's easy.

Have a kebab you don't really want? No. That makes me want to vomit.

End up in bed with a big lady? Nah, just the traffic cone. I keep it really childish.

Could you freestyle a couple of bars about Nuts for us?

I'm not a freestyle rapper, I'm a writer. But, I will say I go nuts when I look at the magazine!

GOES NUTS!

It's like the news but more offensive!

"If you're still a scout past 14, you've no chance of having sex!"

Scouting for boys

I can't f**kin' believe this! British boy scouts over the age of 14 are being taught about condom use by their scout leaders. I don't get it – if you're still a boy scout past the age of 14 then there's no chance you're going to be having sex anyway! These lessons are being given by men who've never had any rumours circulating around involving them and teenage boys, so I think this is a responsible thing from the UK government, right? For any boy scouts out there who are reading this, remember: the condoms are supposed to go on you and not Baloo or Akela. Very important!

It's raining... worms?

In the town of Galashiels in Scotland, on April Fool's Day no less, the people were stunned when earthworms started raining from the sky. They were even more shocked when the sun came out afterwards.

She's a doll!

Now that Miley Cyrus is past the age of 18, some clever sex toy types have brought out a Miley sex doll, complete with achey breaky arse. I hope they haven't made her totally anatomically correct – I'd prefer it if they got the teeth a bit smaller.

Taking the Mickey

Welsh rugby legend Gareth Thomas, who came out as gay in 2009, is going to be played on film by Mickey f**kin' Rourke! Isn't it enough that the man had to come out to the world, now he has to go through the hell of having Mickey Rourke pretend to be him? In the film *Invictus*, South Africa's Francois Pienaar got to be played by Matt Damon – and Pienaar's as ugly as sh*t!

Let's be Frank

Jordan's had a go at Frankie Boyle, saying her son Harvey has to be off limits. But she should make him off limits – I've never seen a child on more magazine covers! And it's not like Frankie doesn't have disabilities of his own – the poor man's ginger, for f**k's sake!

A star is porn

So I'm in South Africa on tour and they have this *Pop Idol*-style show to find two new porn stars – they're gonna have sex until there are two left. There's no phone voting, they'll just let Aids do the work. Hey, don't look at me like that, I'm holding a baby lion later! I'm nice!

stopped in my tracks by a locked gate. Instead of turning back, I decided to be a lazy b*stard and climb the fence! It was about seven feet high but I scaled it with ease.

"As I jumped down the other side, I caught my ring on the top, which totally ripped the flesh off my finger, leaving the

bone exposed! I went straight to hospital to get patched up. None of my mates expected me to make it out for the next Celtic game, but I was there with my arm in a sling and my hand looking like a lobster's claw!

"I want *Nuts* to publish these pictures to warn others about the dangers of fence climbing!"

I can't stand those people who hate football but still go along to games to deliberately cause trouble and ruin them for everybody else.

Bloody referees!

"Uh, oh - not toad in the hole again!"

A load of toad

A young guy sees an older guy carrying a box and asks him what's inside it.

"A South American blow job toad," says the older of the two, matter-of-factly.

"Can I try it?" asks the young guy.

The older guy nods, so the young guy goes to the men's room and returns 20 minutes later.

"That was absolutely amazing," he says, "You've got to sell it to me!"

The older guy agrees to sell after which the young man struts home to his wife.

"What's in that box?" she demands.

"It's a South American blow job toad," explains the young man.

"So?" asks the wife.

"So teach it to cook and get the hell out!"

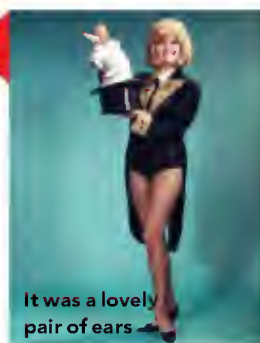

Terry Minter, Blackpool

Magic man

My wife is a magician's assistant and I think she's picked up a few tricks.

I came home from work early and she was in the bedroom. She said, "Abracadabra!" and my mate came out of the wardrobe, stark naked!

Hammer time!

A bloke goes into a fancy dress shop and heads to the vampire section.

After telling the girl what he wants, she says, "Try the West Ham football shop over there".

"No, no!" the man replies. "I said I wanted to dress like a count!"

Jeff Mayre, Guildford

Conning cabby

Three drunks hail a taxi. The driver, seeing they're wasted, just switches on the engine, switches it off, and says, "We're here."

The first guy pays him, the second says thanks, but the third slaps him.

The taxi driver's stunned - he hoped none of them would notice the car didn't move. "What was that for?" he asks.

The man's reply? "Control your speed! You almost killed us!"

NUTS INTERVIEW

"Hmm... Am I a famous sportsman?"

**DANNY
McBRIDE!**

Will Ferrell's mate on hair, *Your Highness* and having three willies!

Hi Danny! Tell us about your new swords-and-sorcery send-up *Your Highness*. I play the lazy, dope-smoking Prince Thadeous, forced to go on a quest to save my brother's [James Franco] maiden from an evil wizard. We come up against angry dwarfs, a giant snake and a whole host of magic motherf**kers!

Who else is in it? We cast it just like a real fantasy movie. Charles Dance plays my dad. It's fun working with British luvvies like Toby Jones (Dobbie the house elf) from *Harry Potter* and watching them take our direction: "Now Charles, do it like you're taking a sh*t." And you get to see Natalie Portman in a thong!

What's it like snogging Natalie Portman? Kissing her was incredible but, sadly, no tongues. **Unlucky!** We spotted *Nuts* girls Eva as a dwarf queen and Rhian Sugden as a topless lady-friend of the tribal king you come up against...

That's how we cast the movie! We just picked up *Nuts* and said, "Let's get these girls!" They were some of the happiest days of shooting, let me tell you!

You wrote the script. What inspired you? Hell, we improvised most of it! As a kid, I loved fantasy films like *Krull*, *Deathstalker* and *Clash Of The Titans*. Just making this film was cool! You come to work each day and you have to get blood on you and carry around a sword. And you get to wear armour.

It's crazy. I used to have to wear an apron at a café I worked in, so this is a step up!

In 127 Hours, James Franco played a bloke who chopped off his own arm. If it was a matter of life and death, would you lop off your manhood? In a do-or-die situation, it would have to go! I'm sure there'll be

some sort of crazy invention you could put in there. I could have three penises and turn it into a positive!

Now you're famous, do you have a team of primpers to look after your mullet? I should do! This was the first film where I've attempted to straighten out my mane. It took an army of strong women to tame my curly locks!

If you were on a quest to be the next comedy king, how would you defeat Will Ferrell, Seth Rogen and Ben Stiller? I think a sex-tape scenario would work. Put all those guys in the same situation together? They're history and I reign supreme! I love those guys, so I was real nervous about working with them. Like, sh*t what if they were total assholes? Then I'm going to have a hard time laughing at anything they did ever again!

What's a typical night out with your comedy chums like? Who drinks too much and needs to be looked after? Me! But I just

keep on truckin'. We shot *Your Highness* in Belfast and got stuck into the Guinness but it was hard to find my favourite drink. In one bar, they were blowing the dust off a bottle that hadn't been opened in years but by the time we left, we had a bunch of Irishmen putting down the whiskey for tequila.

Could you understand the accent? The longer you're there, you pick it up. I realised how far I'd come when my friends would visit and couldn't understand a frickin' word! I have distant relatives from there. I should've reached out to them but I guess I'm just a bad dude!

"Kissing Natalie Portman was incredible but, sadly, no tongues"

Did you pick up any catchphrases? In the US, we don't refer to getting drunk as getting p*ssed. I like that. And also I noticed over here you just love dropping the C-bomb! You really can't get away with calling people c**ts back home. So we're shooting the film and improvising with c**ts slipping in everywhere. We screened the film for the studio and they're like, what the f**k are you guys doing saying c**t that much! I blame Britain for my potty mouth.

What do you love about the UK? Making *Eastbound & Down* we were completely influenced by British TV – everything from *Alan Partridge* to *Fawlty Towers* and *The Office*. With those shows, even though the main characters weren't conventionally likeable, they still represent real people. And Nando's! We don't have them back in the States. I'm a big fan of their fiery chicken wings!

Did the gift of laughter help you with the ladies when you were younger? Take my advice, guys – in my experience, a good sense of humour can compensate for a lack of charming looks.

What was the last thing you laughed at but probably shouldn't have? We gave some old ladies a lift in our van at the Sundance Film Festival in Utah. It was the middle of winter and the weather was terrible. One of them went to step out of the truck and landed on her ass, but I just couldn't help it and p*ssed myself laughing and then laughed even more because I knew I shouldn't. What a heartless asshole!

Thanks for the chat, Danny. Finally, where's the weirdest place you've been recognised? I'm on my honeymoon in Bora Bora in Tahiti just relaxing and having a great time. But you know you've gotten more famous when you're somewhere so peaceful and remote and a complete stranger calls out, "Big ass t*tties!" ■

Your Highness is in cinemas everywhere from 13 April. See our review on page 77

NUTS BEHIND THE SCENES ON.....

STAND UP FOR THE WEEK

Backstage at the ace show!

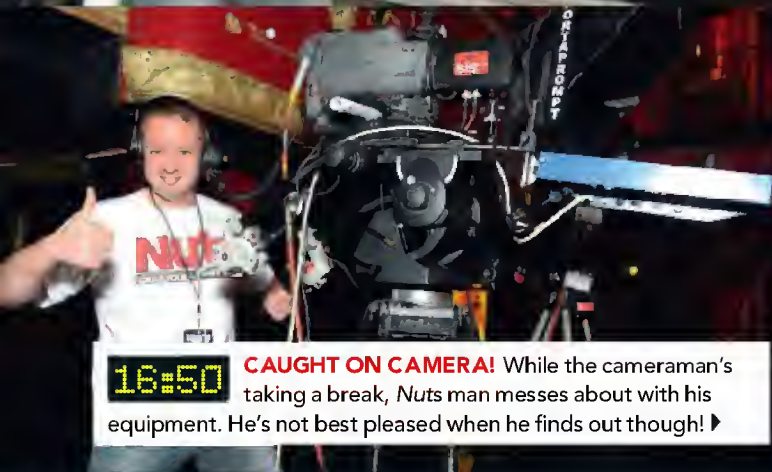

We love a bit of comedy here at *Nuts*, and one of our favourite shows at the moment is Channel 4's *Stand Up For The Week*, so we decided to send one of our idiotic, er, intrepid *Nuts* men to meet host Kevin Bridges and his stand-up mates, including Jack Whitehall and Andi Osho, as they filmed it!

16:00 **WELCOME TO THE CLUB!** *Nuts* man arrives at the London nightclub where the show's filmed. Around now, the comics ensure their material gels and doesn't overlap. ▶

16:25 **SOUND CHECK!** Host Kevin Bridges takes to the microphone and makes lots of strange noises until the sound and acoustic guys give him the thumbs up! Cool! ▶

16:50 **CAUGHT ON CAMERA!** While the cameraman's taking a break, *Nuts* man messes about with his equipment. He's not best pleased when he finds out though! ▶

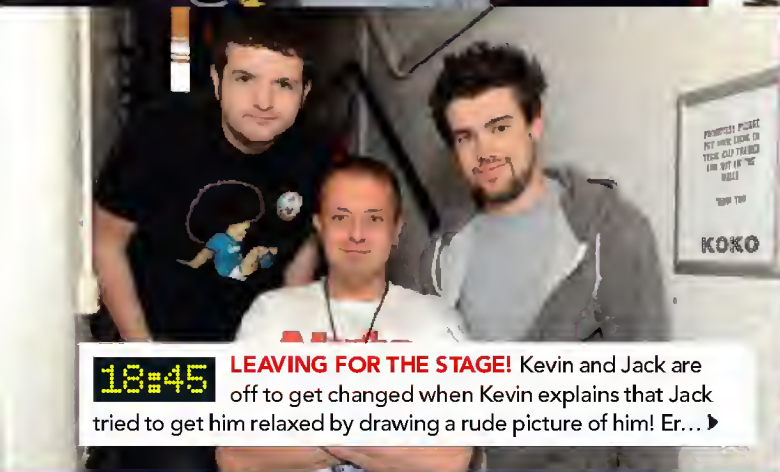

17:10 **IN THE GREEN ROOM!** Over a game of table footy, Jack Whitehall tells *Nuts* man a joke about science bloke Professor Brian Cox that got cut from the show! ▶

17:30 **A BIT OF SLAP!** Andi Osho has her make-up done. Nuts man asks her what happened to "The Chair" from the first series. "It was sh*t!" comes the reply. OK then! ▶

18:25 **ON THE DECKS!** This scattering of sound knobs and buttons was the scene of a fight the week before. Apparently, a brawl erupted and ended up in this box! ▶

18:45 **LEAVING FOR THE STAGE!** Kevin and Jack are off to get changed when Kevin explains that Jack tried to get him relaxed by drawing a rude picture of him! Er... ▶

20:00 **ONE OF THE CROWD!** The show's well under way by this point, and the audience are lapping up the typically hilarious topical laughs on offer from Kevin and co! ▶

21:00 **SHOWTIME!** The show's shot from 7.30pm and wraps about 9.30pm. Among a rowdy crowd, one bloke gets picked out by Kevin because of his ridiculous hair! ■

100 TOPLESS
BABES

H O L L Y P E E R S P R E S E N T S

T O P L E S S
B A B E S !

A stunning century of beautiful busts!

Hi Holly! Thanks for presenting our 100 Topless Babes special! So, what have you been up to lately? Well, I've been chilling a bit recently. I was on a shoot with Lacey Banghard and some of the other girls last week and that was fun. We all had a great laugh! What would you do if you were in a room with the other 99 women on the list? What we normally do – compare the size of each others' boobs! Stick our hands underneath them and give them a bit of a grope! Sounds very scientific! It's an excuse to see what other girls' boobs feel like. I'm always having mine groped and I don't complain!

What's the most boobs you've been with in a room at any one time? Oh, probably 36! It was at a photo shoot at Christmas. There were 18 of us so that's 18 pairs of breasts, all in one big picture! There were a lot of boob comparisons going on there! Have you been keeping up with your New Year's Resolutions? My resolution was to exercise but keep my boobs big. Has it been a success? Yes! If you were to make a list of the 100 best things, what would yours be? I'm really into bums, so I'd do 100 Best Bums. I see too many boobs. It's all about the breasts. I think we need to focus on the arse!

01 HOLLY PEERS
One of our most popular discoveries, lovely Holly is now a *Nuts* legend. And who are we to argue? ➔

02 LUCY PINDER
Spotted on a beach in Bournemouth and the nation's darling ever since. Lucy, we salute you!

03 MELISSA DEBLING
Likes playing spin the bottle, which is why it's time to start stockpiling empty bottles immediately!

04 MEGAN FOX
Dear women of the world: please do your very best to end up looking as hot as Megan. Thank you!

06 MIRANDA KERR
One of the world's most absurdly pretty women, yet is hooked up with wet film sap Orlando Bloom. Baffling!

07 JASMINE
Jasmine is a flower that smells nice. Jasmine is also a Nuts babe, but we've not been near enough to smell her.

09 EMMA GLOVER
When we discovered Emma, she won our hearts with her glowing smile. Her breasts helped too, of course.

10 KELLY BROOK
What can you say about La Brook's celebrated bosom? Well, apart from the fact that it's fantastic. Just look at it!

11 KELLY HALL
Did you know that Kelly wanted to be a classical dancer? Thankfully, she was just too booby for ballet!

12 VANESSA HUDGENS
We can live without that *High School Musical* malarky. We'd find it less easy to exist without Vanessa's boobage.

05 SOPHIE HOWARD

After Catholic school, Sophie went into modelling. Surely even the Pope would admit her body's heavenly?

08 GWYNETH PALTROW

In *Seven*, a bad man cut Gwyn's head off and sent it to Brad Pitt. Er... sorry, we can't find anything sexy in that.

13 SABINE

Latvian lovely Sabine is quite new to *Nuts*. But you're always going to be welcome in this office, Sabine!

14 ROSIE JONES

A fine example of what makes Brit girls so great, Rosie has poise, beauty, intelligence and fine, fine boobs. ➡

15 LINDSEY STRUTT
 "The Strutter" fearlessly flew her 5ft 3 frame out to Iraq in December 2007 to bring our lads Christmas cheer. Top lass!

16 ROSIE HUNTINGTON-WHITELEY
 She's in *Transformers 3*, so must be almost as nice as Megan Fox. Which is really very nice.

17 KITTY LEA
 The young and trendy say Kitty Lea is one hot emo. We're not sure what the "emo" bit means, but hot? Definitely.

18 HALLE BERRY
 The Oscar-winner was once paid half a million dollars to whip her boobs out on film. You owe it to yourself to look.

20 EMMA FRAIN
 Emma studied at the University of Chester. Which is fitting, because "chest" is very much the word of the day here.

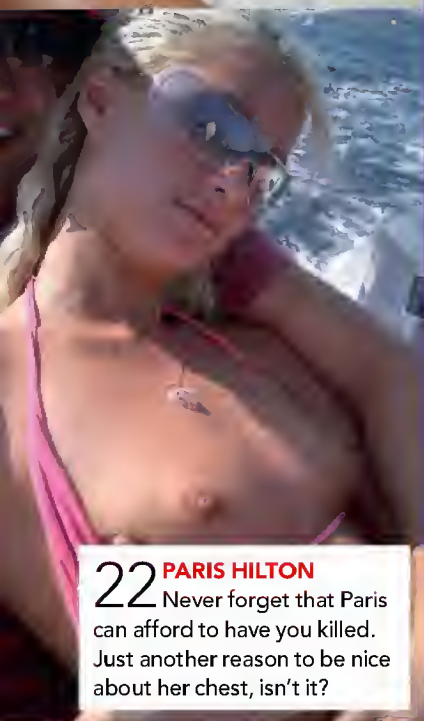

21 CASEY BATCHELOR
 More proof that Essex really is particularly adept at producing ladies who are frankly rather attractive.

23 DAISY WATTS
 Another *Nuts* discovery who'll be ruling the world in years to come. She's definitely "Watts" hot in 2011! Ha-ha!

19 DANNI WELLS
Some say she's the most beautiful babe ever to grace the famous third page of *The Sun*. Who are we to disagree?

22 PARIS HILTON
Never forget that Paris can afford to have you killed. Just another reason to be nice about her chest, isn't it?

24 REESE WITHERSPOON
Reese stars in "rom-coms". We're not interested unless they involve toplessness.

25 DANICA
This *Nuts* discovery hates guys with small hands. So now, so do we. Get away, small-handed weirdos! ➡

26 LACEY BANGHARD
That's her real name.
This bears repeating. That. Is.
Her. Real. Name. A wonderful
name for a wonderful lady.

27 JESSICA-JANE CLEMENT
Simply one of the most
absurdly attractive sentient
beings inhabiting these isles.

28 RHIAN SUGDEN
This Mancunian minx is
blonde, booby and beautiful.
A recipe for a perfect woman
if ever we've heard one.

30 STACEY MASSEY
A blooming legend in
the *Nuts* office. Stunning, and
she raises money for cancer
charities in her spare time.

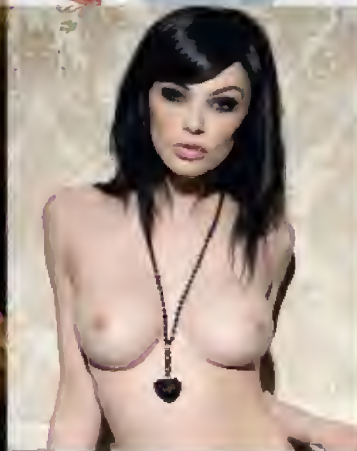

31 ROSARIO DAWSON
Revealed her charms in
Alexander, in which Angelina
Jolie played Colin Farrell's
mum. Which is just weird.

33 AMY GREEN
Blonde, booby and
bubbly – what's not to like
about the amazing Amy here?
And she's not even green.

34 THANDIE NEWTON
Sexy thief in *Mission:
Impossible 2*, sexy accountant
in *RocknRolla*, sexy boffin in
2012. Anyone spot a pattern?

35 VIKKI BLOWS
A huge tattoo fan and
"d*ckhead" (her words), Vikki
has plans for world domination
– she's already vanquished us!

36 GEMMA ARTERTON
Gemma's on her way to
becoming a huge star. Which
means more pics like this.
Gents, give her your support!

29 UNA HEALY

The Saturdays provide the pop world with its lithest young lovelies. Take a peek at Una if you don't believe us.

32 EVA

Sexy Eva has a cameo as a dwarf queen in new comedy movie *Your Highness*. Oi, Hollywood – hands off!

37 MELLISA CLARKE

Mel is swell and has a lovely smell. Nothing sums up a beautiful lady like poetry, eh, readers? Readers? Hello?

38 INDIA REYNOLDS

India's big mates with Emma Glover, Rosie Jones and Stacey Massey. Blimey! Just imagine their sleepovers... ➔

39 BILLIE PIPER
With her saucy TV call girl role, we've enjoyed Billie's later career choices – and her choice to pop out in this pic!

40 SAMMIE PENNINGTON
Refers to herself on Twitter as a "filth talker". We'd love to pop over some time for a chat!

41 SIENNA MILLER
Lithe of form, posh of voice, pert of boobery – her name's Miller and she's a thriller... of the best kind!

42 SAM KELLETT
As an air hostess, Sam may have prevented a mid-air incident, or may not. But who cares when she's this fit?

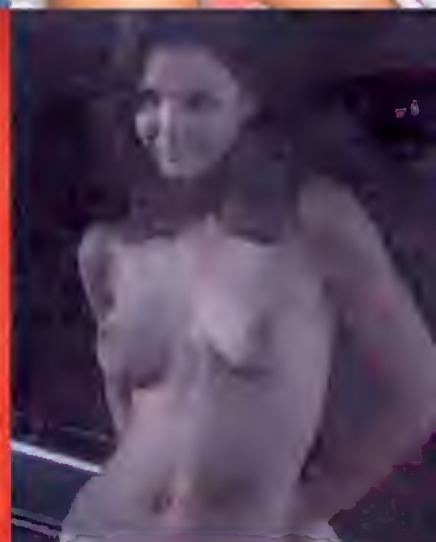

44 SEREN GIBSON
Seren once told us she likes cocky men. We've every reason to think most cocky men would reciprocate!

45 AUDRINA PATRIDGE
American reality TV has given us so much, not least *The Hills* honey, Audrina, who boasts two "hills" of her own.

46 KATIE-MARIE CORK
One of our favourite ladies and given that she's British, brunette and hot, you have to respect our judgment.

47 KATIE HOLMES
Tom Cruise, you lucky man. For him, finding a pair of Hollywood boobs as fine as Katie's was Mission: Possible.

49 POPPY RIVERS
There's an argument that every day should be Poppy day – and here she is, convincing us via her boobs!

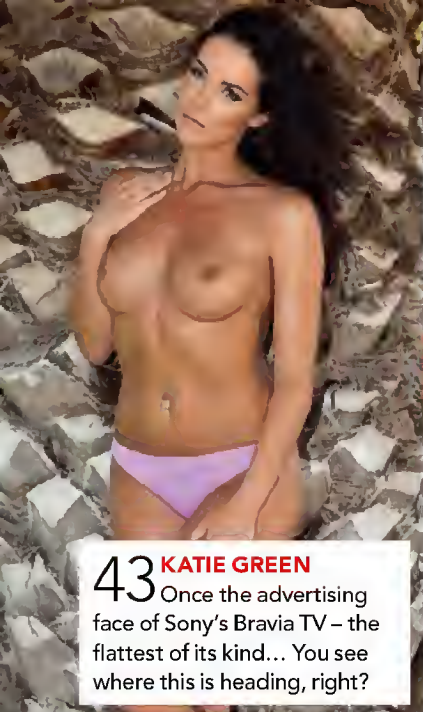

50 ELLE BASEY
Elle could be described as "pixieish", if pixies had big breasts instead of wings and liked taking their clothes off!

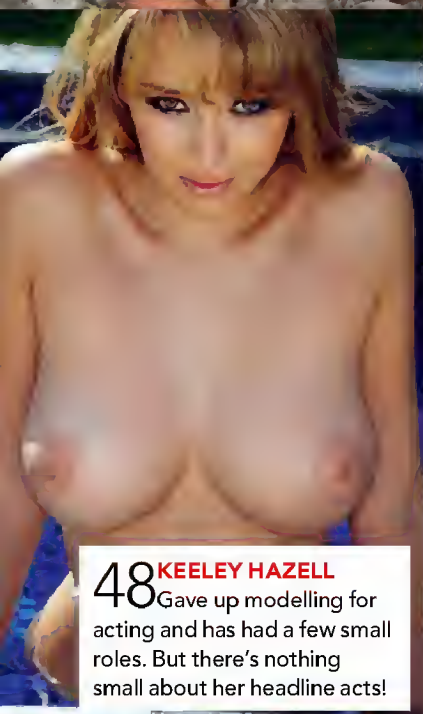

51 ALICE EVE
Our favourite Eve of all. Well, apart from Christmas Eve, because we like looking forward to getting presents.

52 ADELE SILVA
Adele blazed back to our attention with some saucy pics in *Nuts* recently, and as a comeback, it was a corker!

43 KATIE GREEN
Once the advertising face of Sony's Bravia TV – the flattest of its kind... You see where this is heading, right?

48 KEELEY HAZELL
Gave up modelling for acting and has had a few small roles. But there's nothing small about her headline acts!

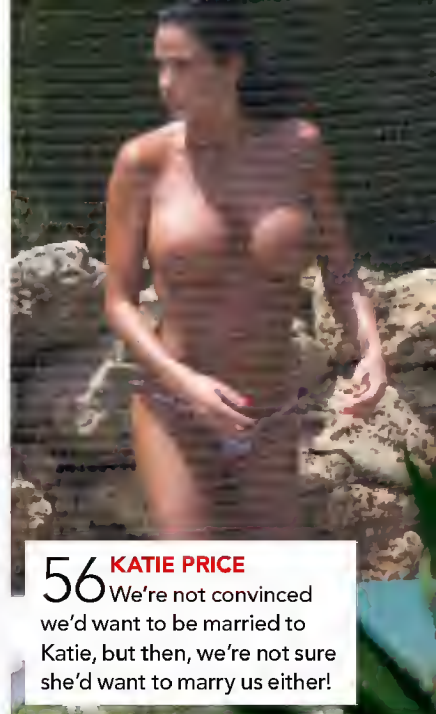

53 PRUDENCE WAGSTAFF
She has an old-fashioned name, but a figure that makes us go weak at the knees!

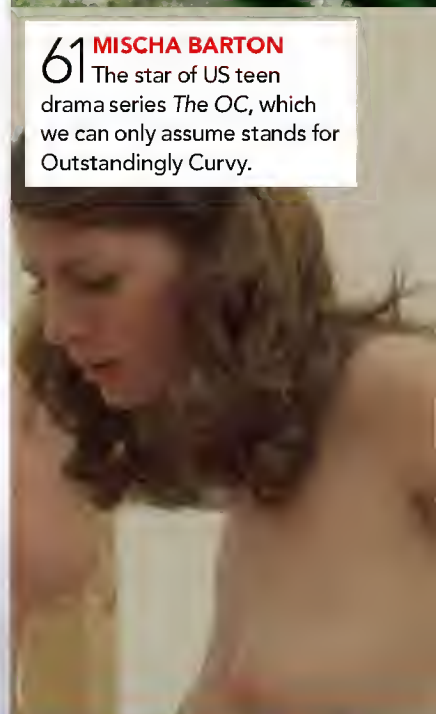

54 SAM FAIERS
We're hooked on *The Only Way Is Essex* here at *Nuts*, and here are two of the many reasons why! ➡

55 SOPHIE READE
Rumour has it Sophie's about to have her assets enlarged. We're not sure our pages are big enough for that!

56 KATIE PRICE
We're not convinced we'd want to be married to Katie, but then, we're not sure she'd want to marry us either!

61 MISCHA BARTON
The star of US teen drama series *The OC*, which we can only assume stands for *Outstandingly Curvy*.

66 ALEX SIM-WISE
Little-known fact: Alex was head of her university cheerleading squad. Talk about the stuff of dreams!

57 HANNAH MARTIN
Fans of *Neighbours* may remember a character of the same name. Compare the two online. We prefer this one!

58 PETA TODD
A girl who's fit in all senses of the word, Peta once cycled 400 miles in five days and has climbed Kilimanjaro!

59 LOUISE REDKNAPP
We want to make some kind of joke here involving a few of Richard Keys' comments, but we'll resist.

60 CHARLOTTE HERBERT
Contrary to appearances, she's not part-leopard. Those spots are actually tattooed on.

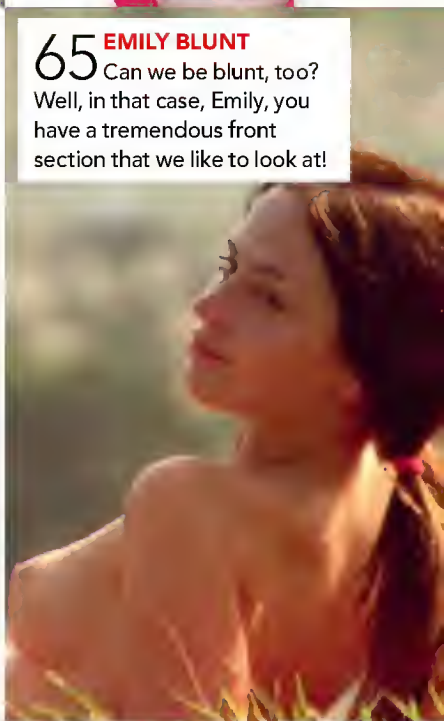

62 JESSICA WEEKLEY
The bad news is she's retired from modelling. The good news is there are still shots as good as this around!

63 ROXANNE PALLETT
Once, the idea of sexy women in *Emmerdale* would have seemed ridiculous. What this represents is progress!

64 NATALIE BLAIR
Thankfully not related to that chap Tony, this lovely lady is also much more appealing to look at. Result!

65 EMILY BLUNT
Can we be blunt, too? Well, in that case, Emily, you have a tremendous front section that we like to look at!

67 TANYA ROBINSON
Tanya once starred in an advert as a pizza delivery girl. Tanya and pizza? Surely one of the best combinations ever!

68 ELEN RIVES
We can't help but think that Frank Lampard may end up regretting the day he left Elen. Why? Boobs is why!

69 DARCY PALMER
Also known as Charlie O'Neal on occasion, but we just refer to the stunning London model as gorgeous!

70 CHLOE SAXON
Chloe may be part British, part American, but we'd like to claim her – and her assets – for ourselves! ➡

100 TOPLESS BABES

71 ELLE MACPHERSON
When you're known as "The Body", we'd expect you to boast, well, a nice body. Elle certainly doesn't let us down!

72 JESSICA SPENCER
As well as being a work of art herself, Jessica also designs tattoos. She can come round and ink us anytime!

73 BIANCA SLATER
It turns out Barnsley beauty Bianca's a talented horse-rider. "Lucky old horse" is all we'll say on the matter.

74 TERI HATCHER
One for those who like a more mature lady, Teri's almost hot enough to make us watch *Desperate Housewives*!

79 SAM GRIERSON
A former pole dancer and girl band member who... actually, to be honest, that's more than enough for us!

80 KYM MARSH
Once she was a pop princess, now she's a TV star. One thing remains the same - her very lovely boobs!

81 RUTH REYNOLDS
Jonathan Ross would find her name difficult to pronounce, but tough on him! We say her boobs are gweat!

82 DAISY LOWE
Daisy always shows a willingness to reveal her shapely physique, and we support her wholeheartedly!

83 OLIVIA WILDE
Fact - Olivia's real surname is Cockburn, which sounds rather painful. Oh, well - she's a pleasure to look at!

84 ERIN MCNAUGHT
She once represented Australia in Miss Universe. If she didn't win, there must be some hot aliens out there!

85 GRACIE LEWIS
London-based model Gracie boasts 32DD boobs, which are a "double delight" as far as we're concerned!

86 MARIA FOWLER
Proof, if it were needed, that at the end of the day the only way is Essex, whether the rest of us like it or not!

75 KAYLEIGH PEARSON

Kayleigh's been a model, presenter, dancer, actress and DJ. One constant – her delightful boobs!

76 KACEY BARNFIELD

Our favourite girl in *The InBetweeners* – and the owner of one of our favourite pairs of boobs, too!

77 APRIL SUMMERS

When lovely April takes her top off, the result is indeed a bit like a summer's day – hot and blinding!

78 CAMERON DIAZ

Fact – Cameron will be 40 years old next year. Opinion – this is why we should be into older women.

87 LEAH FRANCIS

There's nothing better than a sexy blonde with her clothes off. Trust Leah to show us how right this is! ➔

**100 TOPLESS
BABES**

88 KELLY ANDREWS
Kelly shares a name with the co-chair of the Green Party of Northern Ireland. See, we *do* get politics!

89 PEACHES GELDOF
Suggestion for TV bods – please amend the title of Peaches' show to *OMG! Look At My Nice Boobs!*

90 SAMMY BRADDY
Proof that nature is indeed amazing – Sammy has a pair of lovely 30GG boobs, and they're 100 per cent real!

92 KERRY KATONA
Kerry makes it into our list because at the end of the day, her big, bouncy boobies are always worth a look!

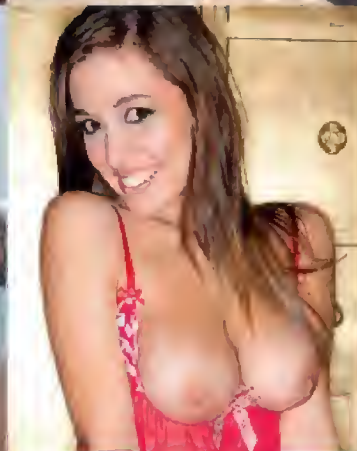

93 KIRSTIE PATTERSON
Would you describe these boobs as "spectacular", "fantastic" or a combination of the two? Fantacular? OK!

95 MENA SUVARI
Mena once starred in *American Beauty*. Shots like this one merely emphasise how appropriate the title is!

96 SAHAR
Tattooed Sahar is considerably less sandy than the desert of the similar name, but every bit as hot!

97 EMMA WATTS
You could call Emma "A Million Watts" because we feel electricity coming off her – from the chest region.

98 LINDSAY LOHAN
She's a girl who likes to party, and her chest is full and hearty. Yes, gents, it's the one, the only, Li-Lo!

91 JODIE MARSH
Tattooed she may be, naughty she may be, but at the end of the day, Jodie still possesses a lovely front!

94 HEATHER GRAHAM
In the film *Boogie Nights*, Heather played a porn star who performed on roller skates. Talented lady!

99 GEORGIE DARBY
Georgie goes to the same gym as Peter Andre, but while he uses the time to tan, she's taking care of her figure.

100 STACI NOBLETT
Staci's ace assets are a welcome addition to this Top 100, and the Preston girl is a princess of pertness! ■

Wazza's just getting angrier. After escaping punishment for elbowing Wigan's James McCarthy, he repeated his

3 GENNARO GATTUSO

The little Italian nutcase is like a bearded attack dog with rabies on the pitch, but nobody expected him to head-butt and

5 MARIO BALOTELLI

"Mad" Mario hasn't wasted any time showing us his sulky skills, earning ten yellow cards and two reds in just a few games

for City. He topped it off by confronting away fans, throwing darts at youth team players, scrapping with team-mates and falling out with his manager!

KEY RATING

4 CRAIG BELLAMY

Bellamy spent much of the recent Wales vs England match swearing at anyone who went near him! The "nutter with the

2 EL-HADJI DIOUF

The bonkers-ness of the Old Firm derby fits serial nutcase Diouf like a glove. He was sent off in it last month. "Dioufy"

also has a few spitting incidents on his CV, and was accused of saying bad things to a player with a broken leg this year, too. He's an angry man, alright!

Rooney's learnt his lesson – and he's back to his best

You can never accuse Wayne Rooney of leading a dull life. The last 12 months have been a rollercoaster for him.

Last week, he endured some of his worst times since 2010's World Cup, as he swore directly into a camera after completing

"It's like Rooney is feeding on the boos!"

his hat-trick against West Ham, and, of course, he's now serving a deserved ban for it.

But somehow, in the midst of all the people writing him off, criticising him and abusing him, Rooney has rediscovered the form that had us raving about him as one of the best footballers in the world.

Rather than putting his head down and disappearing during matches, it's like Rooney is feeding on the boos and turning them to his advantage.

It didn't surprise me to see him slot the winner for Man United against Chelsea last week. It was always going to happen.

Rooney's not the only Man United figure to be punished by the FA recently – Sir Alex Ferguson's still serving his five-match touchline ban – and the club are settling into a siege mentality. It's classic Fergie!

Here they are, fighting on three fronts, in sight of a record-breaking 19th Premier League title, and once more we

see "us against the world" statements coming from the players and the manager.

United may be the world's best-supported team, but that doesn't drive the players on. What does is the need to triumph over adversity, real or imagined. Rooney won't be shouting into a camera again, and Sir Alex will think harder before he criticises a referee.

But we all know the likely winners once the dust settles. And they play in red.

MAN UNITED VS CHELSEA

TUESDAY 12 APRIL, 7.45PM, SKY SPORTS 1/HD

"The first leg was classic Man United playing away in Europe – tight at the back and nicking a priceless away goal. The return leg should be more open but I still see United progressing."

SPURS VS REAL MADRID

WEDNESDAY 13 APRIL, 7.45PM, ITV1/HD

MAN CITY VS MAN UNITED

SATURDAY 16 APRIL, 5.15PM, ITV1/HD

"Normally, I'd go with Man United yet again, but I'm going to surprise people and give City the edge, mainly because Rooney is missing out. I think City's shackles are off and they'll do it."

BOLTON WANDERERS VS STOKE CITY

SUNDAY 17 APRIL, 4PM, ITV1/HD

JOHNNO!

Man City vs Man Utd

Two young hotshots talk ahead of Saturday's FA Cup semi-final!

Johnson: "We're on the road to great things!"

Hi Adam! So, it doesn't get much bigger than an FA Cup semi-final against your local rivals.

Everyone will be up for this one because of the occasion and the two sides involved. From a personal perspective, I'm really excited. These are the matches you become a footballer for.

Will your foreign stars be as excited? Surely the FA Cup's a bit of a mystery to them?

All the lads know what the FA Cup means! This is a chance for us to win a trophy, so everyone's taking it deadly seriously.

Can you beat United? We have confidence in our ability, so yes. We've kicked on this season and surprised a few people. We're two games away from winning the FA Cup – that's the way we have to approach the game.

How do you rate City's season so far? Is there pressure to at least finish in the Champions League places? There's always expectation but we expect good things from ourselves anyway. If we get into the Champions League, that'd be incredible for the fans but we're not settling or aiming for fourth, there's still a lot of football to be played.

Would City have benefited from a more attacking approach? Too much is made of the manager's background and people saying that makes us defensive. Yes, we're disciplined but he wants us to show the best bits of our game. We're full of attacking players, I don't think people can accuse us of being negative.

How important's Carlos Tevez to the future of the club? He's been superb from day one.

There have been occasions when he's won games single-handed because of his desire and determination.

What about you? What was it like being so long out with injury? Horrible, frustrating!

Watching your team-mates battling away while you're stuck on the treatment table hurts.

I'm not a good spectator, either!

Finally, there have been a few rumours linking you to a move away from Eastlands... That probably came from me saying I wasn't happy sitting on the bench. But what footballer is? I'm honestly grateful for the chance City have given me and I enjoy my football here. I hope the fans see that in what I do on the pitch. This club is on the road to great things and who wouldn't want to be part of that?

"Hey, Johnno!
I didn't know
you liked singing
opera, too!"

Hernandez: "We're the best!"

Hi Javier! How's your first season in English football been? Better than I could have ever dreamt! In such a short period of time I've come from nowhere to play for the best club in the world. That isn't meant to happen to people like me!

How do you mean? I'm a boy from Mexico. How did I get here today? This is incredible!

You hit the ground running, too. What's your secret? Hard work. You achieve nothing without this. I came here to watch, to learn, expecting to play only a few games. Thankfully, I've been selected more and have adjusted to the football here.

Sir Alex Ferguson has been singing your praises. What's he like to work for? He's the best there is. He talks to me all the time, tells me how to get better, what I need to do physically and mentally to improve. He represents everything that's good about United. His attitude makes this club what it is.

How does he keep everyone in the squad happy? He wins games! The team's more important than the individual so if we win, everyone should be

happy. It's not a problem for me to be on the bench. If I start and we win, fantastic. If I come off the bench and we win, fantastic. If I don't play at all and we win, there's no problem here, either. I want to win trophies, this is the only consideration.

So you don't go banging on his door then? No! No way! That's not for me. He's the manager, the boss, he's in charge.

Playing with legends like Giggs and Scholes must be a huge boost. There are players here who have won everything, season after season, but are still hungry. It's a privilege just to be in the same dressing room.

United are still in line for the Treble! How would that feel in your debut season? I'm already living in a dream but this would be incredible. I hope to end the season in a beautiful position.

And what would that "beautiful position" be? To win as many trophies as we can! I'm fortunate to be playing for the best team in the world. I've contributed more than I could have expected. The perfect ending would be to win the league and the cup competitions we're in. At United, this is always the aim.

Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

He won big!

David R won £58,236 on Deal or No Deal!*

MANAGER'S CORNER!

No.3 Sven-Goran Eriksson

Where we put bosses on the spot!

Hi Sven! What's your earliest sporting memory? When I was two or three years old, my father took me to see the local football team every Sunday. Other memories are Ingemar Johansson beating Floyd Patterson to become the first Swedish boxer to be a world champion. I was sitting in my home watching on my black and white TV. Also watching the 1958 World Cup and Pele scoring two goals in the final was another good memory.

If you weren't a football manager what career would you have gone into? I guess I would've been a journalist. It was very close that I chose that. In the end, I chose university of sport instead of writing. I'm happy with that.

Which manager of any era do you admire the most? Alex Ferguson for what he's doing and what he has done with Man United. I don't know how many different generations of teams he has managed. Congratulations to that. He's unique in the world of football. There were a lot of others as well, Holland played extremely good football

under Rinus Michels. Also the old Liverpool managers, when they won the European Cup every second year.

What was your first car? It was a Renault, but it wasn't good for Sweden during freezing cold winter time!

What was the last music you bought? It must've been Elton John or Rod Stewart, as they were my two favourites if I wanted to listen to music.

Finally, have you ever been mistaken for someone else who is also famous? I think the press from this country hired someone who looked like me, and he went to a club in Mexico pretending he was me. He was unlucky as they knew I was on other duties, and threw him out.

Nuts Poker School

This week: How to beat small-stakes cash games!

1. Pick the right game

A good thing about online poker that can also make it profitable for smarter players is that you get to choose your opponents. On PKR there are always plenty of small-stakes cash tables running, so you can pick which table you fancy playing at.

Don't just load up any random game instantly. Trust us, go to the PKR lobby, and scope out the "Average Pot Size" statistic. Try to sit at a table where this is high – these games will be filled with players playing too many hands and refusing to fold. So, hang in there for strong hands like pocket Aces and there's a cracking chance you'll get paid off.

2. Hang in there

The best strategy in micro-stakes games is to play tight. Here's a basic guide to the hands you should be playing when you start:

All pocket pairs 7-7 or higher
A-K, A-Q and A-J
K-Q
K-J suited

With these hands, always open with a raise to give yourself the best chance of winning a big pot. If you hit that flop (for example, you raise with A-K and the flop is K-2-8) then bet on the flop, the turn and the river (the fifth face-up card). It's likely you'll have the best hand and will get called by worse Kings, Eights or other pairs.

When you first have a go at a cash game, it can be intimidating. But when you play for the smallest stakes, fear not! Games with blinds starting at

\$0.01 or \$0.02 are filled with players who – like you – are just having a go for fun. So play well and you might even make a few dollars! Here, Team PKR pro Scott Shelley tells you how...

3. Don't bluff

There's no need to bluff when you're playing in small-stakes cash games. The major mistake players make is that they call too much. Players will call you down with Ace-high, bottom pair (the smallest pair on the board) or even worse hands!

Simply put, they hate to fold, so it doesn't make any sense to bluff when you're probably going to be called anyway. Instead, you should wait for a real hand and just keep betting strongly.

Follow these rules and you might find that small cash games can actually pay out, and you can build a decent poker bankroll!

IT'S LOU!

CONFESSION OF THE WEEK!

'I felt his hands on my bum'

I'm an estate agent and recently, I had to conduct my last viewing of the day with a very attractive potential client at a large house. As we walked around, he became incredibly flirty then, when we were just about done, we returned to the kitchen. He asked if there was a dishwasher built into the cupboards, so I bent over to take a look. Suddenly, I felt his hands all over my bum! I stood up straight with shock, only to feel his left hand begin touching my breast. I was shocked but I felt very aroused, so I turned to face him and we kissed frantically. We ended up having sex on the kitchen worktop! We've now started seeing each other regularly, and he's even put an offer in on the house!

Sam, via email

'I licked him down below'

My mum and dad have been away at their holiday home for the past month, so our house has had a few parties. As a result,

one of my brother's friends has been staying over and sleeping on the sofa quite a lot. We'd been flirting and my brother had warned us both off, but I really wanted him. One night, when everyone was asleep, I crept

downstairs and went over to his sexy, sleeping body. I gave him a little kiss and he slowly opened his eyes. I put my finger to my lips and then bent down on my knees. I pulled the sheet away from his bottom half and gently started to lick him down below. He had a big grin on his face and groaned as I moved up and down his shaft. I gave him the best head I could while he held a pillow over his face to stop any noises. After he came, I then tiptoed back upstairs. My brother's still none the wiser!

Emma, by email

'She tasted so sweet'

I'm in my gap year working at a boarding school. I live on campus in a bungalow with one other girl and two guys. On our first weekend, we decided we'd explore the nightlife and were all pretty tipsy when we got back. One of the guys and the other girl went to get some more booze, so the other guy and I had the bungalow to ourselves. It wasn't long before I gave in to temptation and he was quite happy for me to lead him into my room. Just as I was soaking wet and ready for entry, the other two walked in, but instead of being embarrassed, I invited them to join us. Before long, us two girls were working their erections with our mouths and playing with each other. Much to the delight of the guys, I went down on her – she tasted so

sweet! Then I felt one of the guys enter me from behind. It was wild, and it's helped make it a gap year to remember so far!

Ally, Melbourne

'Her breasts rubbed mine'

After a night out, I returned home with a girl I live with and we heard loud banging coming from upstairs. Giggling, we sneaked a look and could see our other housemate getting it hard. My friend could see how turned on it made me, so she grabbed me, pulling me close. We undressed, her soft breasts brushing against mine, then she kissed me, sliding her hand up the inside of my thigh. My heart pounded as she pushed two fingers inside me while also rubbing my clit. She licked my hard nipples and I guided her head down below. Her hot, wet tongue felt so warm, I climaxed almost instantly. I kissed her lips, licking my juices off her mouth, then we sneaked away without being noticed.

DVDS/BLU-RAY!

Daniel's Radcliffe's stunt-double was seriously injured during filming

HARRY POTTER & THE DEATHLY HALLOWS: PT 1

DVD & BLU-RAY CERT 12

The seventh film in the ludicrously successful Harry Potter franchise sees the bespectacled wand-wiggler facing a desperate race against time to

defeat the Dark Lord, Voldemort. Surprisingly dark it is, too. Daniel Radcliffe and Emma Watson star. With the concluding part due to hit the big screen in July (and in 3D!), this'll whet the appetite nicely in the meantime. ★★★★★

Gullberg is played by Hans Alfredson, father of the film's director, Daniel

THE GIRL WHO KICKED THE HORNETS' NEST

DVD & BLU-RAY CERT 15

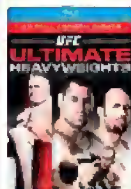

The final part of Stieg Larsson's ever-so-slightly popular Millennium trilogy following damaged, introverted computer hacker,

Lisbeth Salander. After being shot by her dad at the end of the second film, Lisbeth is released from hospital but faces the prospect of a trial for three murders. Gripping throughout, it's a quality conclusion, even if it does have pesky subtitles! ★★★★★

YOUR HIGHNESS CERT 15

Danny McBride's slacker Prince Thadeous – "a great c*cksman and renowned pintsman" – embarks on a quest to rescue a maiden from an evil wizard out to claim her virginity. Up against mythical beasts and "magic

motherf**kers", and unleashing a glorious mullet, McBride is joined by Natalie Portman. In a thong! Inspired by cheesy '80s fantasy flicks it is, quite literally, the F-bomb! Read our interview with McBride on page 34. ★★★★★
